**COVID-19 IMPORTANT INFORMATION FOR HEALTH CARE PROVIDERS  
REGARDING CANCER PATIENTS**

**For health care providers and facilities in REMOTE LOCATIONS**

This communication is to assist in responding to questions that you or patients/clients of CancerCare Manitoba may have regarding appointments during the COVID-19 pandemic.

CancerCare Manitoba provides cancer care to patients across the Province of Manitoba and in the Kivalliq Region of Nunavut. CancerCare Manitoba is determining if some appointments can occur over the phone or by telehealth.

If a person in your community has an appointment at any CancerCare Manitoba location for any reason, please contact us at 1-855-837-5400, so we can coordinate appointments appropriately.

Thank you for your assistance. We are also making every attempt to reach CCMB patients/clients directly regarding their appointments.

Sri Navaratnam, MBBS, PhD, FRCPC  
President and CEO, CancerCare Manitoba
