

# SEMINAR SERIES

Artificial intelligence for precision oncology:  
opportunities and challenges

Dr. Pingzhao Hu, Associate Professor, Adjunct Senior Scientist, CCMR

Artificial intelligence-empowered breast cancer  
radiogenomics research

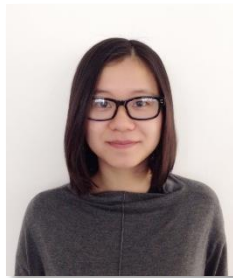

Qian Liu, PhD student

Deep learning-based models for anti-cancer drug  
combination discovery

Judah Zammit, MSc student

Dr. Pingzhao Hu

Qian Liu

Judah Zammit

Wednesday, January 19, 2022 | 10:00 - 11:00 a.m.

Attend via Zoom

Meeting ID: 881 3030 5525 | Passcode: r6bZbe
