

Chemotherapy

Maskikíkiya ká ápataki ta natawihikawiyán

How long does chemo take to give?

Chemo treatments can take a few minutes, several hours or a few days.

Where will I get chemotherapy?

Chemo is usually given in the cancer clinic and you go home the same day. Some treatments are only given in a hospital and you need to stay overnight or longer.

Tánikok ké nócitániwak óma ta mínikawiyán maskikí?

Átit anihí nócitániwana náspic acinaw, átit nántaw níso tipahikana wéká áskaw níso wéká nisto kísikáwa.

Tánté kékí isi nátaman óma itowa ta isi natawíhikawiyán?
