

Ask your Doctor if there is a Clinical Trial that is right for you

Should I participate in a clinical trial?

Clinical trials:

- Provide access to cutting-edge therapy.
- Help researchers uncover better ways to prevent, diagnose, treat and understand cancer.
- Help establish new treatment standards for you and the next generation.

Receive tomorrow's treatment today.

For more information, ask your doctor, or contact the Clinical Trials Unit at 204-787-4156.
