

Kleysen Institute for Advanced Medicine (KIAM) Information for Patients Treated at the Radiosurgery Clinic (Unit S)

FIRST TREATMENT

- *On the day of your first treatment you MUST call HSC admitting to register before arriving for your treatment.*

Phone 204 787-3203. HSC Admitting Office is open at 5:30am

- **Enter through CCMB main entrance at 675 McDermot Avenue.**
- *Once you have been gone through the CCMB patient screening, a Patient Runner will assist you to and from CCMB and RT Unit S at KIAM*

Please arrive at least 30 minutes prior to your schedule treatment time.

During our management of the COVID-19 pandemic, we have been allowing one support person/escort per patient for visits to CancerCare Manitoba.

Effective March 25, 2020, we are tightening our risk reduction measures.

Effective immediately, support persons/escorts will not be allowed to accompany patients for visits except in exceptional circumstances.

Thank you.

NOTE: If you are unable to attend your treatment please call 787-5700 as soon as possible.
