

Cancer screening saves lives!

Most women age 50-74 should have a screening mammogram every 2 years.

Visit cancercare.mb.ca/breastcheck to find the closest clinic.

Call 1-855-952-4325

to book your screening mammogram.

Know your breasts.

See your healthcare provider if you have:

Puckering
of the skin

A change
in the nipple

New or bloody
discharge

Change in the
size, shape or
colour

Thickened hard
skin that feels
different than
the rest of your
breast tissue

A new lump
