

Resources to Stop Smoking

Medication Support and Counselling Programs

Tobacco Quit Card and Counselling Program: Provides counselling and \$300 of nicotine patches and aids to low-income Manitobans who are patients of participating clinics across the province. Those not eligible for a Quit Card may still be able to receive counselling. For more information, visit: sharedhealthmb.ca/TQCC, or contact your health-care provider.

Quit Smoking with your Manitoba Pharmacist Program: Participating Manitoba pharmacies provide \$100 and up to nine counselling sessions for Manitobans wanting to quit. Medications covered include nicotine patches, aids and oral medications. For more information, including the list of participating Manitoba pharmacies, [visit their website](#).

Group Programs

Commit to Quit Program (C2Q) is a five-session program offered live online to all Manitobans. This series is for anyone who would like to reduce or stop their tobacco or nicotine use. Learn about your triggers, setting realistic goals, how to start reducing, behavioural strategies that work and find out about quit medications. See wrha.mb.ca/groups or call 1-877-979-9355.

Packing It In is a one-class overview of the steps to quit smoking. It's a helpful introduction if you are interested in the longer Commit to Quit Program. A recorded version is available at wrha.mb.ca/groups.

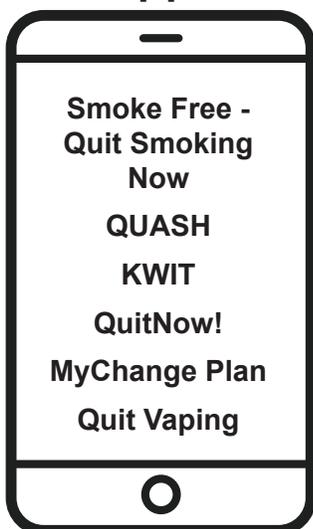

The Last Drag is a Winnipeg 2SLGBTQ+ Facebook peer support group to help you quit smoking.
