### Identification Wristbands

---

# Attention Patients À l'attention des patients

**Effective September 19, 2022, all patients attending appointments in CancerCare Treatment and Procedure areas will be provided with an identification wristband.**

You will receive an identification wristband after providing your Manitoba Health card as identification.

Your safety is important and this measure is being taken to improve patient care.

We want to make sure we provide safe care to the right patient every time.

If you have any questions, please ask your health care team.

**À partir du 19 septembre 2022, tous les patients qui se présentent à leur rendez-vous pour un traitement ou une intervention d'Action Cancer recevront un bracelet d'identification.**

Vous recevrez un bracelet d'identification après avoir montré votre carte de santé du Manitoba comme pièce d'identité.

Votre sécurité est importante et cette mesure est prise pour améliorer les soins aux patients.

Nous voulons fournir des soins sûrs aux bons patients chaque fois.

Si vous avez des questions, informez-vous auprès de votre équipe de santé.
