CancerCare Manitoba (CCMB) invites Manitobans to answer a short survey about their knowledge on cancer risk factors and what should be done to help prevent cancer.

CCMB is asking Manitobans ages 19 to 44 to share their feedback by answering the two-minute survey. All responses will be anonymous and participants will be entered to win one of 10 gift cards worth \$50 each.

The survey is available in English and French at [www.PreventCancerMB.ca](http://www.PreventCancerMB.ca) (<http://www.PreventCancerMB.ca>).
